Appendix

Response to Item 8

Item 8: Describe fully the nature and method of performance of the above indicated agreement or understanding.

Over the course of many years, Edward McFadden has provided incidental communications and public-relations support to CMSI and its clients. The relationship has been informal and based on the personal friendship between Mr. McFadden and Mark Corallo, the principal of CMSI. To Mr. McFadden's recollection, there was no written or oral discussion of terms regarding the work to be performed on behalf of Mr. Chagoury. Rather, it was Mr. McFadden's expectation that CMSI would simply pay him what he deemed to be a fair amount if and when he received any payment from the ultimate client. On or about April 1, 2015, Mr. McFadden's LLC (Black Bag LLC) received \$25,000 from CMSI; Mr. McFadden understood this amount to cover work that had been performed for a number of CMSI clients and did not understand it to be specific to the work performed on behalf of Mr. Chagoury.

This registration covers activities that occurred between December 2014 and March 2015. Registrant has conducted no further activities for CMSI on behalf of Mr. Chagoury since that time.

Appendix

Response to Item 10

Item 10: Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act. If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.

Mr. McFadden met with CMSI and other communications professionals retained by CMSI to discuss outreach to U.S. media outlets. Mr. McFadden also communicated with contacts at the Wall Street Journal and the American Spectator to introduce them to CMSI and/or to seek placement of an op-ed regarding Nigeria, and provided advice on the content of the op-ed. The activities occurred in the January-March 2015 timeframe. (Please note that the foregoing description is based on Mr. McFadden's recollection, as he no longer has access to his email system from the relevant time period.)

Please note that while Registrant advised on the content and facilitated the placement of an op-ed, to his knowledge he did not personally disseminate it and has no informational materials to submit to the Department. He has accordingly answered no to question 11 of the Registration Statement.
